#### **School Processes & Programs Strengths**

Our staff is highly committed to the success of each student.

Our schedule offers opportunities for teachers and staff to work collaboratively to meet the needs of students

Our campus culture supports a positive learning environment where students' academic, social, and emotional needs are met.

A culture of high expectations and positive attitudes among the staff has created a supportive and collaborative culture that encourages the growth of all on our campus.

Our campus is committed to working collaboratively to support student growth and achievement and is committed to the PLC process and have embraced the four questions of effective PLCs.

**Problem Statements Identifying School Processes & Programs Needs** 

**Problem Statement 1:** Processes and Programs need to continue to promote positive school culture and meet the academic needs so all students can grow and achieve success.

#### **Perceptions**

#### **Perceptions Summary**

Richardson High School is committed to providing a supportive, collaborative, and invested culture among students, staff, families, and community. We encourage stakeholder involvement and feedback and offer various ways for the family and community to support us as volunteers, our site-based campus committee members, and PTA.

#### **Perceptions Strengths**

Richardson High School teachers understand their role in implementing our school's key actions. Our campus bases its action on the district's core beliefs that all students will connect, learn, grow, and succeed.

Richardson High School is committed to the district's North Star goal that all students and staff will show growth during 2023-2024.

#### **Problem Statements Identifying Perceptions Needs**
